

ADVANCING THE COMMON GOOD

Established in 1967, United Way of Northern Arizona (UWNA) serves communities throughout Coconino, Navajo and Apache Counties (off the reservation), with Chapters in Flagstaff, Page and Northeast Arizona.

United Way of Northern Arizona works to advance the common good by creating lasting changes in community conditions. UWNA accomplishes this through its partnerships and alliances in each community it serves, focusing on three action areas: **EDUCATION, INCOME** and **HEALTH**—a quality education leads to a stable job, good health and sufficient income to support a family.

UWNA collaborates with the Alliance for Children’s Early Success and First Things First to lead initiatives to improve the quality of care, promote literacy, provide targeted intervention and support, increase school readiness skills and raise public awareness on early childhood awareness. Programs that support this initiative are KinderCamp and the Dolly Parton Imagination Library.

INCOME: The VITA (Volunteer Income Tax Assistance) program, managed by UWNA, works to help families receive their Earned Income Tax Credit (EITC) by providing free tax assistance to those earning less than \$49,000. In 2011, the VITA program helped families and brought over 2.45 million dollars in refunds to those families in the greater flagstaff area.

HEALTH: UWNA partners with the greater Flagstaff area to provide services to community members experiencing crisis and/or financial hardship regain and maintain good health and financial stability; providing disaster relief services such as those provided to the residents in the Schultz flood area and partnering in Streets to Home Partnership .

THE POWER OF COMMUNITY

We recruit the people and organizations from all across the community who bring the passion, expertise and resources needed to get things done. Through strong partnerships with volunteers, local businesses, government, and nonprofits, we accomplish what no one can do alone.

We invite you to be a part of the change. You can give, you can advocate and you can volunteer. That’s what it means to LIVE UNITED.
