United Way of Northern Arizona believes that everyone deserves opportunities for a good life: a quality education that leads to a stable job, enough income to support a family through retirement, and good health.

Our goal is to create long-lasting changes that improve lives. This can only be done if we work together — because together we can accomplish more than any group can alone. United Way of Northern Arizona's success is based largely on the 816 Summit Society Members.

The leaders listed here make a significant personal commitment to advance the common good of our community. On behalf of the United Way of Northern Arizona board, staff and our neighbors who benefit from your generous giving, **THANK YOU** to everyone listed in this brochure.

Kerry Blume
President & CEO
United Way of
Northern Arizona

Founded in 1992, the Summit Society consists of 816 active community investors who contribute \$500 or more annually. Summit Society members set a standard of charitable giving in our community, and motivate, by

Leadership Giving provides the fastest way to help increase total dollars raised in the campaign. As 2010 Summit Society Chair, I applaud the 591 Summit Society members

from the Greater Flagstaff and Page Chapters. Through your philanthropic leadership, United Way of Northern Arizona invests your contributions into community initiatives such as KinderCamp and Volunteer Income Tax Assistance (VITA). Since its inception in 2005, KinderCamp has helped 700+ children and their families become better prepared for kindergarten. In 2010, 1,655 people were served through VITA returning \$1.98 million in federal and state refunds to northern Arizona.

Please join me along with this year's Summit Society Committee Members to provide continued support by contributing to this vital organization and showing what it means to LIVE UNITED. Together, we can build a brighter future for all. Thank you for your leadership!

example, those who have the potential to increase their level of commitment.

We are grateful to all Summit Society members for your leadership and financial contribution.

Through the community leadership of 225 Summit Society members from the Northeast Chapter, United Way of Northern Arizona has mobilized with partners and

community-based groups to create lasting change in our communities – Thank You.

Through your generous support, United Way was able to bring the KinderCamp program this Summer to the Blue Ridge School District, giving children the skills and tools needed to be more successful as they start Kindergarten this school year.

The NE Chapter hopes to expand this program to other school districts in this Region. The NE Chapter also managed a very successful Volunteer Income Tax Assistance Program, helping families in our communities receive over \$122,000 in their Earned Income Tax Credit.

As the 2010 Northeast Summit Society Chair, I sincerely hope that as an existing Summit Society member, you will consider continuing your investment and encourage others to be a part of the making a difference in Northeastern Arizona.

Thank you for your heart and support of the United Way of Northern Arizona – Northeast Chapter.
